

**SC Governor's School
for the Arts and Humanities
FOUNDATION**

Thank you for your interest in donating a gift of stock to the South Carolina Governor's School of the Arts and Humanities Foundation your support helps to ensure the standard of excellence for which the Governor's School has become known. We are grateful for your continued support.

Your generosity allows us to guarantee that no qualified student will be denied the life-transforming opportunities available at the Governor's School – *our state's premiere public residential high school for the arts*. In addition to an exemplary arts education, students receive an intense and innovative academic education that fosters connections to the arts while meeting all the requirements for a South Carolina high school diploma. Students from all over the state of South Carolina have the opportunity to concentrate on their skills in an enriching environment of artistic and academic excellence.

These opportunities that are available to our state's most accomplished arts students would not be possible without the support of our benefactors. We are grateful for your dedication to our current students and to the school that will continue to provide opportunities for future generations of young artists in South Carolina.
